Whether you are a business owner, employed by a private company, or work for a public agency, you and your co-workers can benefit greatly from attending this safety conference. The purpose of this event is to enhance workplace hazard recognition and strengthen a culture of workplace safety, thereby reducing employee injuries and illnesses.

While the conferences are primarily intended for hourly employees, companies are encouraged to also send members of their safety committees, supervisors or managers with safety responsibilities, and any others who might benefit from basic safety training. Nursing home administrators and nurses may also use this training for continuing education purposes.

The registration fee of \$25 covers lunch and conference materials. Preregistration is encouraged, as this allows the event organizers to plan accordingly. Cancellations will be accepted until two days prior to the conference, and substitutions are permitted.
