

ASBPA UPDATE

Volume 01—2012

APRIL 2012 ISSUE

New Online Exam Applications

CPA Exam Applications are now online! Instead of printing a copy of the application form, completing it by hand, and going somewhere to pick up a cashier's check or money order, now you can fill out the application and pay for it online. You will still need to request transcripts be sent directly to the Board from the colleges you attended. You will also need to send a color, government-issued photo id to the Board office, as well.

Just be sure you have everything ready before you get started, because you can't save the information online and come back to it later. If you need some information (like the school code, credit card, college course information, etc.), you need to make sure you have it ready before you begin, or at least, leave your screen up to go get the information. If you get out of the screen, you will have to start all over.

You can pay by credit/debit card or by using the electronic check process. No more need for cashier's checks or money orders.

Just go to our main web page and click on the box for Online Exam Applications: www.arkansas.gov/asbpa

2012 License—Not Renewed

Those who did not renew their license by March 31st, the license is now Lapsed and the individual will be asked to return the Arkansas certificate.

Take your CPE in Plenty of Time

Every year, we receive calls toward the end of the renewal period or after the first of the year where licensees report not being able to find classes to meet the CPE requirements for their license renewal.

You have from January 2012 until December 31, 2012 to obtain your CPE for your 2013 license. Don't wait until the last minute! CPE and license renewals are based on the calendar year.

Your Help is Needed — Feedback

Over the last several years the Board and its staff have made several changes to hopefully improve communications with our licensees and to make our procedures for complying with Board rules or signing up for the CPA exam more user friendly. We are also about to undertake a review of our rules to determine what changes, if any, need to be made or what rules need to be updated. If you have any comments or suggestions about our processes or rules that we have in place, please send them to our Executive Director, Jimmy Corley. His e-mail address is james.corley@arkansas.gov.

New Online Services Coming Soon

In an effort to become less dependent upon paper, we will be implementing several new online features throughout the 2012 calendar year. With the implementation of our Online Exam Applications, we are moving more away from the paper documents and more toward online applications.

We will be announcing other online applications soon, so be watching for these in the future.

Swearing-In Ceremony coming May 19th

On Saturday, May 19, 2012, we will be observing our Swearing-In Ceremony at the State Capitol in the Rotunda.

Make your plans, now, to be present to support our new licensees into the accounting profession as a Certified Public Accountant.

Invitations will go out the first week in April to those individuals who have successfully passed the CPA exam and become licensed in 2011 and first part of 2012. Please let us know how many guests you plan to bring. We want to be sure we have enough seating and programs available.

We hope everyone can attend, new licensees and guests, as well.

Quality Review Surveys to be Mailed Soon

In the next few months, we will be mailing Quality Review surveys to those individuals and firms that are on the 2012 Quality Review cycle. The purpose of the QR program is to improve the quality of financial reporting and to assure that the public can rely on the fairness of presentation of financial information on which licensees issue reports.

Every Arkansas licensee (active, inactive, and firms) is surveyed once every three years.

This year we have added a feature so that those individuals and firms who have not issued any reports during the past year can respond as such through our website. Hopefully this will make the surveys more convenient for those of you who do not issue any reports and help ensure that our licensees respond in a timely manner.

Firms that have an acceptable peer review letter from another CPA firm can submit a copy of this letter along with a copy of the acceptance letter from the applicable AICPA peer review committee in lieu of submitting reports for Quality Review.

Be sure to respond to the survey when you receive it – each year we have several licensees who end up paying costly fines and penalties, simply because they failed to respond to the survey. Also, if you changed jobs or moved your residence, please notify us so that the QR survey can be sent to the correct address.

After You Pass the CPA Exam.....

It is very important to understand that you **CANNOT** use the term **Certified Public Accountant** or the designation of **CPA**, just because you pass the CPA Exam. According to Arkansas law, you cannot use the CPA designation or use the term Certified Public Accountant until you have been licensed by the Arkansas State Board of Public Accountancy. Many individuals believe that once they pass the Exam, they can call themselves a CPA—not true.

After you pass all four (4) parts of the CPA Exam (AUD, BEC, FAR, REG), you will be mailed a confirmation letter with instructions regarding how to apply for licensure with the state of Arkansas. This process may take a few weeks, but we will get this information to you as quickly as we can.

Thank you for your patience, as we work through the process to validate all information.

Help Us Identify the Unauthorized Practice of Public Accountancy and Other Violations

If you suspect someone in your community of holding out as a CPA without a valid license, please contact the Board's office and provide us with as much information as possible so we can investigate. We are also interested in finding out about other Board rules or Law violations that you may be made aware of.

With limited staff and resources, we need your help to ensure compliance with our statutes and to ensure that the public interest is protected.
