STATE OF ARKANSAS

IN RE: SCHINDLER ELEVATOR CORPORATION
3300 MRL ELEVATOR

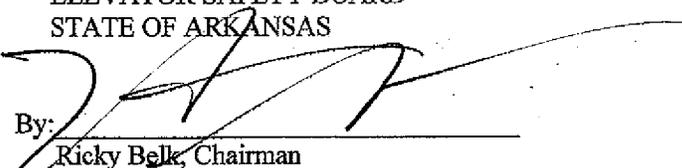

CONSENT ORDER

This matter comes before the Elevator Safety Board on Thursday, November 20, 2014 at the request of the Schindler Elevator Corporation to extend the limited variance granted November 21, 2013 with no limitation on the number of 3300 MRL Elevator unit installations. The previous variance expired September 19, 2014.

THEREFORE, for the same reasons contained in the previous variance, the Board grants the Schindler Elevator Corporation request for a blanket variance to allow the sale and installation of the 3300 MRL Elevator product line.

IT IS SO ORDERED
