(23) “Ventilation” means the process of supplying or removing air by natural or mechanical means to or from any space.

## **SECTION IV. CLASSIFICATION OF LICENSES**

- (1) Class A - Entitles the licensee to perform HVACR work without limitation to BTUH or horsepower capacities;
- (2) Class B - Entitles the licensee to perform HVACR work on air conditioning systems that develop a total of not more than 15 tons cooling capacity per unit or 1 million BTUH heating input per unit and refrigeration systems of 15 H.P. or less per unit; or
- (3) Class C - Entitles the licensee, who is in the business of servicing and repairing heating, ventilation, air conditioning or refrigeration equipment for the public to service, repair or replace components of HVACR equipment and to perform HVACR work on air conditioning systems that develop a total of not more than 15 tons cooling capacity per unit or 1 million BTUH heating input per unit and refrigeration systems of 15 horsepower or less per unit. A Class C license holder shall not install any original HVACR equipment or replace any existing HVACR equipment.
- (4) Class D – Entitles the licensee to perform “Sheetmetal” work as it relates to ductwork for HVACR systems without regard to or limitation of horsepower of the system to which the duct connects. The licensee in this category is prohibited from the sale, installation and service of HVACR equipment and systems.
- (5) Class E – Entitles the licensee to perform “Refrigeration” work as defined in Ark. Code 17-33-101 without regard to or limitation of horsepower. The licensee in this category is prohibited from the sale, installation and service of heating and air conditioning equipment used for the treatment of air for human comfort requirements.
- (6) Class L – Entitles the license holder to a “Lifetime” license to perform HVACR service and maintenance work on air conditioning systems that develop a total of not more than 15 tons cooling capacity per unit or 1 million BTUH heating input per unit and refrigeration systems of 15 H.P. or less per unit only. A Lifetime license holder shall not install any original equipment or replace any existing HVACR equipment.

## **SECTION V. QUALIFICATIONS AND APPLICATION FOR LICENSURE**

(A)

- (1) Applicants for Class A, B, C, D or E licensure shall be at least (18) years of age.
- (2) Applicants must make application to the department on forms prescribed by the Board.
- (3) The Board shall approve an applicant for Class A, B, C, D or E licensure with examination provided that the applicant is currently licensed as a in another state or political subdivision of that state or territory, or district of the United States with which the Board has no reciprocity, but whose HVAC/R licensing laws are substantially similar to those of the State of Arkansas and:
  - 1) Holds his or her occupational licensure in good standing;
  - 2) Has not had his or her occupational licensure revoked for and an act of bad faith, a violation of law, rule, or ethics and is not holding a suspended or probationary license from any state, territory, or district of the United States;
  - 3) Is sufficiently competent in his or her field, and;
  - 4) Pays the required license fee.

In no case shall apprenticeship, education, or training be a prerequisite or condition for licensure.

In this section, “substantially similar” license means an occupational license from another state or political subdivision of that state or territory, or district of the United States that has adopted a national model mechanical code and utilizes a comprehensive examination created and proctored by a national examination agency or equivalent.

- (4) Applicants for licensure must pass a Board approved examination if the candidate for licensing does not hold licensing in another state or political subdivision of that state or territory, or district of the United States.
- (5) Applicants for licensure with no licensing background shall present satisfactory evidence of having at least two (2) years experience as an HVACR contractor or an employee of an HVACR contractor. The Board may substitute HVACR related educational training for experience provided that the educational training is approved by the Board. Copies of educational transcripts shall be provided prior to Board consideration.
  - a. The Board shall use the least restrictive requirements by allowing the licensing candidate to show proof of experience in the form of records, affidavits, or bona fide evidence from current or former employers, or persons who can attest to the applicant's work background as an HVACR contractor.
  - b. In no case shall apprenticeship, education, or training be a prerequisite or condition for licensure.
- (6) A designated license holder is the Class A, B, C, D or E licensee who is responsible for the HVACR work performed. Employees of the designated license holder shall be a

registrant, unless otherwise exempt. The designated license holder shall be solely responsible to maintain the registration of all employees required to be registered under Ark. Code 17-33-303(d) (3) and these rules.

- (7) A person who designs HVACR systems, as a service to a licensee and does not charge for that service is not required to obtain an HVACR license.
- (8) Criminal background checks shall not be required.

(B) Qualifications and Application for Lifetime Licensure

- (1) Applicants for a Class "L" Lifetime license must be at least sixty-five (65) years of age.
- (2) Prior to application, applicants must have been eligible for a Class A, Class B, Class C, Class D or Class E license.

(C) Temporary Permits or Provisional Licensing

- (1) When requested, the Board shall immediately issue temporary revocable permits or provisional licensing to all Class A, B, C, D or E applicants upon receipt of the application under the following conditions:
  - a. The temporary permits or provisional licensing shall be granted for ninety (90) days in accordance with Section XIII (Reciprocity) unless the Board determines the candidate for licensing does not meet the criteria as noted in these rules in which case the temporary permit or provisional licensing shall be revoked. The Board may extend temporary permit or provisional licensing to exceed ninety (90) days if a hardship status is determined by the Board for the applicant;
  - b. Candidates for temporary permits or provisional licensing shall be required to attend the scheduled examinations unless officially excused or forfeit temporary permit or provisional licensing.
  - c. The candidate holds his or her occupational licensure in good standing;
  - d. The candidate has not had his or her occupational licensure revoked for an act of bad faith, a violation of law, rule, or ethics and is not holding a suspended or probationary license from any state, territory, or district of the United States;
  - e. The candidate is sufficiently competent in his or her field, and;
  - f. The candidate pays the required license fee.

- (D) 1. An individual is not eligible to receive or hold a license issued by the Board if that individual has pleaded guilty or nolo contendere to or been found guilty of any of the offenses

detailed in Ark. Code Ann. §17-3-102 et. seq. by any court in the State of Arkansas or of any similar offense by a federal court, unless the conviction was lawfully sealed under the Comprehensive Criminal Record Sealing Act of 2013 § 16-90-1401 et. seq. or otherwise sealed pardoned or expunged under prior law.

2. The Board may grant a waiver as authorized by Ark. Code Ann. §17-3-102 et. seq. in certain circumstances.

3. The Board is not authorized to conduct criminal background checks, but the Board may inquire about criminal convictions at the time of license application or the renewal of a license. Any applicant or licensee who provides false information to the Board may be subject to suspension, license revocation or the denial of a license.

## **SECTION VI. TERMS OF EXPIRATION, RENEWAL AND EXAMINATION.**

- (1) All licenses called for under these rules shall expire one (1) year from the original date of issuance.
- (2) Class A, B, C, D or E license examinations shall be offered at least four (4) times per year or as often as the Board determines to be appropriate.

## **SECTION VII. LICENSE AND EXAMINATION FEES**

- (1) The license fee for the Class A contractor shall be \$200.00 per year.
- (2) The license fee for the Class B contractor shall be \$150.00 per year.
- (3) The license fee for the Class C contractor shall be \$100.00 per year.
- (4) The license fee for the Class D contractor shall be \$150.00 per year.
- (5) The license fee for the Class E contractor shall be \$150.00 per year.
- (6) The license fee for the Class L “Lifetime” license shall be “No Charge”.
- (7) The Registrant fee is \$25.00 per year.
- (8) Fees for the Class A, B C, D or E examination shall be a minimum of \$55.00 each for written exams and \$100.00 each for computerized exams.

## **SECTION VIII. DENIAL OF LICENSE**

All applicants who meet the requirements for licensure or registration shall be issued the appropriate license or registration except that the Board may deny a license if the applicant has:

- (1) Committed any act which, if committed by a licensee or registrant, would be grounds for suspension or revocation of the license or registration;
- (2) Previously been denied a license or registration under these rules for cause or previously had a license or registration revoked for cause; or
- (3) Knowingly made any false statement or misrepresentation on the application.

## **SECTION IX. REVOCATION OF LICENSE**

- (1) The Board may, on its own motion, make investigations and conduct hearings and may, on its own motion or upon complaint in writing, duly signed and verified by the complainant, suspend or revoke any license called for under these rules if it has reason to believe that the holder of such license has violated any provision of these rules or order prescribed by the Board or has demonstrated a pattern of incompetence to act as an HVACR license holder or Mechanical Inspector.

## **SECTION X. PROCEDURES FOR SUSPENSION OR REVOCATION**

- (1) A copy of the complaint shall be served on the licensee complained against. The licensee's answer thereto shall be filed within twenty (20) days of the licensee's receipt of the complaint.
- (2) No order suspending or revoking a license or registration shall be made until after a public hearing set by the Board pursuant to the procedures of the Arkansas Administrative Procedures Act, Ark. Code Ann. §25-15-201. The hearing shall be held at the place designated by the Board. The individual complained against shall have the right to be represented by counsel and to introduce any evidence in his defense. The conduct of the hearing shall be in accordance with recognized rules of procedure.
- (3) The decision rendered as a result of the hearing may be appealed pursuant to the Administrative Procedures Act, §25-15-201 et seq.
- (4) Any member of the Board or a representative of the Board shall have the authority to administer oaths for the taking of testimony.
- (5) One (1) year after the date of revocation, an application may be made for a new license or registration.

## **SECTION XI. DEFERMENT AND REINSTATEMENT**

- (1) A Class A, B, C, D or E contractor holding a current HVACR license may make application to the Board for deferment of such license. Deferred license means inactive and non-useable. The Board, upon receipt of such application, may grant deferment of license. Deferments shall be renewed annually at a fee of \$40.00 for a Class A, \$30.00 for a Class B, \$20.00 for a Class C, \$30.00 for a Class D and \$30.00 for Class E.

- (2) The Board may grant a deferred license without deferment or reinstatement fees to members of the armed services or Class A, B, C, D or E license holders who became legally appointed or employed Mechanical Inspectors.
- (3) A Class A, B, C, D or E license holder, whose license expired for non-payment of renewal fees, may make application for reinstatement of license. A penalty fee of \$10.00 per month shall be added for late payment. The application must be supported with an amended experience record covering all experience subsequent to the date of the lapse. Upon receipt of the application and experience record, the Board will determine whether to reinstate with or without examination. In no case shall the reinstatement of the license require apprenticeship, education, or training as a prerequisite for reinstatement.
- (4) The Board shall reinstate a deferred license provided the applicant pays the current license fee for the type of license requested. If the applicant has been deferred for over a five (5) year period, the Board may request that the applicant complete a reinstatement form outlining work experience. If it has been determined by the Board that the applicant has not been affiliated with HVACR work since the original date of deferment, an examination may be required. Applicants for re-instatement, who have been delinquent for over five (5) years, must take the prescribed exam. In no case shall the reinstatement of the license require apprenticeship, education, or training as a prerequisite for reinstatement.
- (5) A Class A, B, C, D or E contractor or Registrant whose license has been revoked, may make application for a new license one (1) year after the date of revocation. Such application shall contain a statement of intent to comply with all pertinent laws, and rules. The Board shall issue a new license after the applicant has passed the prescribed examination and paid applicable fees.

## **SECTION XII. TRANSFER OF LICENSE**

- (1) An HVACR license holder may transfer to a lower classification of HVACR license without examination. A transfer fee of \$15.00 shall be charged. Only a Class A license holder may transfer to a Class D or Class E license. Class D and Class E licenses are specialty licenses and are not transferable to each other or with any other HVACR license.
- (2) An HVACR license holder may not transfer to a higher license without first meeting the qualification requirements of the Board and passing the prescribed exam.
- (3) A \$15.00 fee shall be required and accompany each request for a revised license or to replace a lost or duplicate license or for a revised or lost identification card.

## **SECTION XIII. LICENSE BY RECIPROCITY**

- (1) The Board as a means of facilitating interstate practice, may enter into reciprocal agreements with other states regarding HVAC/R licensing. Application license fees shall apply for license requested and candidates for licensure under reciprocity shall not be

required to pass an examination or participate in continuing education, training, or apprenticeship as a prerequisite to licensing for HVACR Class A, B, C, D or E contractor.

(2) An applicant applying for reciprocal licensure shall meet the following requirements:

(a) The applicant shall hold an HVAC/R license in another United States jurisdiction that are substantially similar to Arkansas HVAC/R licensure requirements as established by these rules.

(i) Minimum education requirements for licensure are not required.

(b) The applicant shall hold his or her occupational licensure in good standing.

(c) The applicant shall not have had a license revoked for an act of bad faith or a violation of laws, rule or ethics;

(d) The applicant shall not hold a suspended or probationary license in a United States jurisdiction;

(e) The applicant shall be sufficiently competent in the mechanical HVAC/R installations.

(3) The HVAC/R Board shall apply the least restrictive requirements for an applicant applying for reciprocal licensure unless it is required as a condition of reciprocity with another United States jurisdiction:

(a) Examinations shall not be required;

(b) Apprenticeship, education, or training shall not be required as a prerequisite to licensure.

(4) An applicant shall submit a completed application, the required fee, and the documentation described below.

(a) As evidence that the applicant's license from another jurisdiction is substantially similar to Arkansas, the applicant shall submit the following information:

(i) Copy of HVAC/R license from other jurisdiction;

(ii) Completion of required forms from other jurisdiction(s) showing the candidates licensing status including suspensions and revocations, types of examinations administered, and types mechanical code used.

- (iii) Candidates shall also be required to submit the names of all states in which the candidates is either currently or has been previously licensed in and confirmation that the license is in good standing. The Board has the authority to verify candidate licensing information.

## **SECTION XIV. CORRECTION OF VIOLATIONS**

An applicant applying for any license, or reinstatement or renewal of license, under any condition, shall submit satisfactory evidence, when required, that said applicant has not violated any provisions of Act 277, of 1991, as amended or these rules. Where such violations have existed, the Board may require all back license fees and penalties to be paid, all violations corrected and attendance at least one (1) code training class on the subject of the violation confirmed in writing by the inspector issuing the violation report.

## **SECTION XV. INSPECTION FEES**

(1) The Department may charge fees for inspections authorized under Act 277, of 1991, as amended. The fees for each installation shall be \$25.00 for the first \$1,000.00 or fraction thereof, of valuation of the installation plus \$2.00 for each additional \$1,000.00 or fraction thereof. Total inspection fees shall not exceed \$1,000.00 per job. Each additional re-inspection shall be \$25.00 each.

(2) The Department may not charge an inspection fee to investigate consumer complaints and/or to assist the inspection authorities when making a survey or assisting them with inspections.

## **SECTION XVI. MECHANICAL CODE BOOK FEES**

The Department may prepare and cause to be printed such codes, bulletins, or other documents as necessary for the purpose of enforcing this rule. The Department may charge a fee for codes as printed in the Arkansas Mechanical Code book rule.

## **SECTION XVII. PENALTIES**

(a) Any person who violates any provision of Act 277, of 1991, as amended, or violates any rule, or order of the Board or any permit, license or certification may:

- (1) In accordance with the rule issued by the Board, be assessed a civil penalty by the Board. The penalty shall not exceed two hundred fifty (\$250.00) dollars for each violation and each day of a continuing violation may be deemed a separate violation for purposes of penalty assessments. However, no civil penalty may be assessed until the person charged with the violation has been given the opportunity for a hearing on the violation.
- (2) The amount of any civil penalty levied by the Board may be recovered in a civil action brought by the Board in a court of competent jurisdiction, without paying costs or giving bond for costs.

- (b) In addition to the civil penalty provided in this section, the Board is authorized to petition any court of competent jurisdiction without paying costs or giving bond for costs to :
- (1) Enjoin or restrain any violation of, or compel compliance with, the provisions of this chapter and any rules, or orders issued thereunder;
  - (2) Affirmatively order that remedial measures be taken as may be necessary or appropriate to implement or effectuate the purposes and intent of this chapter; and
  - (3) Recover all costs, expenses and damages to the Board and any other agency or subdivision of the state in enforcing or effectuating the provisions of this subchapter.

(c) An unlicensed person shall not be entitled to a mechanic's and materialman's lien, a laborer's lien or any other artisan's lien for work done in violation of these rules.

## **SECTION XVIII. RESPONSIBILITIES OF THE LICENSEE**

- (1) Each license shall be displayed at the contractor's place of business as listed with the HVACR Board.
- (2) Each licensed contractor shall display (in a prominent, legible manner) the license number and company name in letters not less than two inches high on both sides of all service and installation vehicles used in conjunction with air conditioning and refrigeration contracting. Additionally, the license number and company name shall be displayed at all job sites.

(EXAMPLE: HVACR LICENSE #0000001)

- (3) A license holder is required to notify the Board in writing within 30 days of any change in permanent mailing address, business affiliation, change of business location, or business telephone number. A license revision is required for any change to permanent mailing address, change of business affiliation, or the business location reflected on the license. The permanent address on file with the Board shall be considered the license holder's permanent address and all correspondence, including license expiration notice from the department, will be mailed to such address of record. A license holder wishing to revise a license shall request in writing the revision, and pay the appropriate fee required in this rule. A license holder requiring a replacement license or wallet card must send a notarized statement to the Department indicating the loss and requesting the replacement. Payment of the fees required in Section XII of this rule must be submitted with the statement of loss. The wallet card or license card for each license holder or registrant, on the jobsite, must be with the person to which it was issued for inspection by the state or local inspector in order to confirm the license status of the individual.

## **SECTION XIX. EXEMPTIONS**

- (1) These rules shall not apply to:

- (A) Household appliances;
  - (B) American Gas Association (AGA) approved un-vented space heaters;
  - (C) Factory assembled air-cooled, self-contained refrigeration equipment of 1.5 HP or less and which have no refrigerant lines extending beyond the cabinet enclosure;
  - (D) Factory assembled air-cooled, self-contained window type air conditioning units of 36,000 BTUH or less not connected to ducts;
  - (E) Window, attic, ceiling and wall fans in residences; or
  - (F) Poultry operations whether engaged in hatching, primary processing or further processing of chicken, turkey or other fowl.
