# CONSTRUCTION SAFETY awards

**OSHA Consultation Section**

# CONSTRUCTION SAFETY *awards*

During a calendar year, the same award cannot be received twice. Should a company satisfy the required guidelines for an additional award, that award can be received in a different calendar year.

## ONE MILLION work hour *award*

This award will be given to the **construction company** that accumulates 1,000,000 or more hours worked, by combining all worksites and office staff for all calendar years. The company must not have a lost day away from work, due to a job related injury or illness and cannot have received an OSHA citation.

## LONG-TERM worksite *award*

This award will be given to any **construction company** that works six months or longer at one jobsite or at a different jobsite, with a different crew, and without a two week break between jobs. There must not be a lost day away from work due to a job-related injury or illness. The company must not have received an OSHA citation.

## GENERAL CONTRACTOR longevity *award*

This award will be presented to any **general contractor** that works at one jobsite for at least two years without having a lost day away from work, due to a job related injury or illness. The contractor cannot have received an OSHA citation, within this time period.

## SUBCONTRACTOR SHORT-TERM worksite *award*

This award will be given to a **subcontractor** that works at one or multiple jobsites for at least three months without two weeks between jobs. There must not have been a lost day away from work, due to a job related injury or illness and the subcontractor must not have received an OSHA citation.
