Companies can exemplify their safety and health management program through the three-tiered levels, that include the **GOLD** status, **PLATINUM** status, and **DIRECTOR'S** awards. The overall objective of these awards is to motivate companies into achieving a well-developed safety and health program, reduce injury and illness rates to zero, and maintain a safe work culture.

- Be an active member of the SHARP / VPP Association and attend more than 50% of the meetings;
- Have an effective evaluation of the Safety and Health Program Assessment (Form 33); and
