

2024 Open Class Schedule

Arkansas Department of Labor & Licensing, Arkansas State Grants, MSHA Section

A primary emphasis of the Arkansas State Grants Mine Safety and Health program is to provide training opportunities for surface metal/nonmetal miners and contractors. All classes are taught in English with no provisions made for interpreters.

Payment Policy: Once we verify your employees are attending the class with our staff, we will contact you by phone and have you pay for their attendance (typically the day of class). Payment by credit/debit card or bank account are the methods of payment available.

We can conduct training classes at your facility: In addition to the dates listed in this flyer, we can provide on-site training for Annual refresher, Partial New Miner, First aid and CPR. We require at least 5 attendees per class. If you have less than 5 attendees, please take advantage of our open classes.
