NUNC PRO TUNC ORDER FILED MARCH 19, 2021

In the process of responding to a recent request from the Arkansas Workers' Compensation Commission (the Commission) Clerk's office regarding the recent appeal(s) taken from the Opinion and Order Filed February 9, 2021 in the above-styled matter, my office discovered a minor clerical error(s) exist(s) in the Opinion and Order filed February 9, 2021. Specifically, on Page 1, in the claim style (and possibly elsewhere) of the Opinion and Order Filed February 9, 2021 the Commission claim number for this file is inaccurately written as, "Claim No. H003818." The correct Commission claim number for this file is G902535, as is listed above.

Ark. Code Ann. §11-9-713(d) (2020 Lexis Replacement) authorizes me to correct clerical errors in such circumstances. This is a proper case for the exercise of that authority. Therefore, the Opinion and Order Filed February 9, 2021 in this claim hereby is modified and amended only to correct the aforementioned inadvertent clerical error on Page 1 of the claim style, and anywhere else it may appear in the subject opinion and order. In all other respects — including but not limited to the "FINDINGS OF FACT AND CONCLUSIONS OF LAW" section from which the party(ies) recently appealed - the Opinion and Order filed February 9, 2021 shall remain the same, and shall not otherwise be altered, amended, or affected in any way.

Moreover, the entry of this Nunc Pro Tunc Order Filed March 19, 2021 is intended and shall be deemed to revert back to the date of the filing of the subject Opinion and Order Filed February 9, 2021.

IT IS SO ORDERED.
