AMENDED CLASS REQUEST
ONLY FOR A COMMERCIAL LICENSEE ADDING – RESIDENTIAL BUILDER

INSTRUCTIONS

***This request will not be considered, unless the amended class application / affidavit (page 1), and (3) references are returned. ***This request will only be valid for 90 days once received in our office. ***

1. AMENDED CLASS APPLICATION / AFFIDAVIT - Page 1
   Read, complete, sign, and have notarized (including notary seal).

2. REFERENCE INFORMATION – (3 Attached)
   a. Relatives or other people associated with the licensed entity can NOT complete references.
   b. Make sure the reference sheets are completed and returned with the amended class application, showing four (4) years of verifiable experience in the class being requested.

3. NO FEE REQUIRED WITH THIS REQUEST.

Examples:
To obtain the Residential Builders class, the Residential Contractors Committee is looking for references showing (4) years experience in home building construction from the ground up. Otherwise, submitting complete residential room additions and/or larger remodeling jobs could possibly qualify for Residential Builder, but these types of references are NOT preferred.

The experience does not have to be consecutive years as long as four (4) years experience can be clearly shown overall. The contact person listed on the reference forms will need to be available between the hours of 8:00 a.m. and 4:00 p.m. Please make sure the correct phone number is listed.

DEFINITIONS:

**Qualifying individual:** A W-2 employee (not an officer/owner) of the licensed entity; **attach a copy of the employees W-4, if this said person has the experience for this entity.**

**Qualifier:** A person that has passed the appropriate trade examination. To act as a “Qualifying Party” a person must be either; (1) a sole owner; (2) a partner of the partnership; (3) an officer of the corporation who is actively engaged in the day to day activities of the licensed entity; (4) a member of the Limited Liability Company who is actively engaged in the day to day activities of the licensed entity; (5) a partner of the limited Liability Partnership who is actively engaged in the day to day activities of the licensed entity; or (6) a full time employee of the licensed entity.

**Full Time Employee:** A person who is an actual employee of the business, not an independent contractor. The person must work, on average, 30 or more hours a week for the licensed entity (1500 hours per year), must not be paid as an independent contractor (not receive a “1099” for his earnings but receive a “W-2” for his earnings). A full time employee is not someone who is hired “job to job” as needed. Other factors to be considered in making this determination include, but are not limited to, whether the licensed entity pays for workman’s compensation insurance on the individual, whether the licensed entity pays payroll taxes on the individual, the amount of control the licensed entity has over the activities of the individual, the ownership of the tools used by the individual and, whether the individual maintains his own business separate from the licensed entity in question.
