**Rule 404 - Firm Names.**
A licensee may practice public accounting only in a form of organization permitted by the Act. However, names of one or more past partners, members or shareholders may be included in the firm name of a partnership, limited liability company or corporation or its successor, and a partner or member surviving the death or withdrawal of all other partners or members may continue to practice under a partnership or limited liability company name for up to two (2) years after becoming a sole practitioner.

A fictitious firm name (that is, one not consisting of the names or initials of one or more present or former partners, members or shareholders) may not be used by a CPA firm unless such name has been registered with and approved by the Board as not being false or misleading.
