Upon review before the FULL COMMISSION in Little Rock, Pulaski County, Arkansas.

Respondents No. 1 represented by the HONORABLE WILLIAM C. FRYE,
Attorney at Law, North Little Rock, Arkansas.

Decision of Administrative Law Judge: Affirmed and Adopted.

OPINION AND ORDER

Claimant appeals an opinion and order of the Administrative Law Judge
filed July 24, 2024. In said order, the Administrative Law Judge made the
following findings of fact and conclusions of law:

1. The stipulations agreed to by the parties at a pre-hearing conference
conducted on April 3, 2024 and contained in a pre-hearing order filed that
same date are hereby accepted as fact.
2. Claimant has failed to prove by a preponderance of the evidence that he
suffered a compensable injury to his right shoulder or right hand on
October 8, 2020.
3. Claimant has failed to prove by a preponderance of the evidence that he
suffered a compensable injury to his right shoulder on January 8, 2021.
4. Claimant has failed to prove by a preponderance of the evidence that he
suffered a compensable injury to his right shoulder on February 5, 2022.
5. Claimant has failed to prove by a preponderance of the evidence that he
suffered a compensable injury to his right shoulder on August 23, 2022.

We have carefully conducted a *de novo* review of the entire record herein and it is our opinion that the Administrative Law Judge's July 24, 2024 decision is supported by a preponderance of the credible evidence, correctly applies the law, and should be affirmed. Specifically, we find from a preponderance of the evidence that the findings of fact made by the Administrative Law Judge are correct and they are, therefore, adopted by the Full Commission.

Therefore we affirm and adopt the decision of the Administrative Law Judge, including all findings and conclusions therein, as the decision of the Full Commission on appeal.

IT IS SO ORDERED.
