**ARKANSAS STATE BOARD OF BARBER EXAMINERS  
501 Woodlane Ave., Suite 212N, Little Rock, AR 72201-1025**

**Web Access at [www.arbarber.com](http://www.arbarber.com)**

We hope that this will make it easier for you to renew your license and give you up to date information on the barbering profession in Arkansas. ***You will need your social security number to renew your barber license on line; be sure to include the dashes.*** The system will not accept 2015-2016 renewals before July 1, 2015.

**Barbershop Managers & Shop Owners** It is the responsibility of the barber shop manager and/or owner to make sure all barbers have a current license before being allowed to work. If there is a question about a license being valid, please call the office to verify the name and number.

**Change of Address or Name** If your address on your barber license is different from the one on your renewal form, please draw a line thru the old address and write the new address on the renewal form. Please do the same if your last name has changed. If you have moved or are going to move your barber shop you must contact the office for a shop application. **It is important that you send in the renewal portion of your licenses as they contain pertinent information to assist us in renewing your license.** If you cannot find that license you may use the form at the bottom of this letter.

**FROM MIKE WOOLDRIDGE, NEW EXECUTIVE SECRETARY**

I would like to thank the barber board for the vote of confidence given me to succeed Mr. Charles Kirkpatrick, who served the board faithfully for the past 27 years. Mr. Kirkpatrick has been appointed by the board to serve as a consultant.

It has been a hectic start to 2015. We were challenged when the board was threatened by a bill that would have put the barbers under the direction of the Health Department. Thanks to many of you, for your phone calls and personal visits to your Representatives on the sub-committee, the bill never left the sub-committee hearings.

Also, we were successful in getting our license fees increased to a level where we as a board can operate more efficiently. More information is shown on our website, [www.arbarber.com](http://www.arbarber.com). I look forward to serving the barbers of the state and welcome you to visit anytime you are in Little Rock. Thank you.
