PROFESSIONAL ENGINEERS AND LAND SURVEYORS**

IN THE MATTER OF DENIS RADECKI:

STIPULATION AND ORDER

The Arkansas Board of Registration for Professional Engineers and Land Surveyors (hereinafter "the Board") and Denis John Radecki (non-registrant, hereinafter "the Respondent"), agree as follows in full settlement of the charges in this disciplinary matter.

FINDINGS OF FACT

1. The Respondent is not now, nor has he ever been, a registered Professional Engineer in Arkansas.
2. The Respondent's company, Commonwealth Constructors, Inc, does not now, nor has it ever, held a valid Certificate of Authorization to offer engineering services in Arkansas.
3. During a meeting of the Arkansas Board of Registration for Professional Engineers and Land Surveyors on January 8, 2008, the Respondent was interviewed by the Board as a potential Professional Engineer registrant by reciprocity.
4. During the interview, the Respondent stated that his company, Commonwealth Constructors, had been previously retained for a project in Arkansas, and that certain instruments of engineering practice had been previously prepared by the Respondent and his company, and delivered to the contractee.

CONCLUSIONS OF LAW

1. The board has jurisdiction over the Respondent and over the subject matter of this proceeding, as provided in Arkansas Code Annotated §17-30-305(e).
2. The Respondent has been afforded an opportunity to obtain legal counsel and has chosen to proceed *pro se* with the understanding that he is admitting the facts and conduct described above in the Findings of Fact and voluntarily waiving the right to a formal disciplinary hearing.
