ORDER

This matter comes before the Full Commission on the claimant's Motion For Extension of Time To File Brief. The initial due date for the filing of the claimant's brief was February 10, 2021. Counsel for the claimant requested a 7-day extension to file Claimant's brief, which was granted by the Clerk's Office. The claimant's brief was due on February 17, 2021. Due to inclement weather, the claimant's attorney was unable to file

the brief on or before the due date. However, on February 17, 2021, the claimant's attorney emailed the clerk's office requesting an additional 7-day extension. This request was treated as a Motion For Extension of Time To File Brief. The respondents do not have an objection to the claimant's motion.

After giving due consideration to the claimant's motion and all other matters properly before the Commission, we find that the claimant's Motion To File Belated Brief should be, and hereby is, granted. The Clerk of the Commission is directed to establish a final briefing schedule.

IT IS SO ORDERED.
