DISMISSAL ORDER

The Arkansas Board of Licensure for Professional Engineers and Professional Surveyors (hereinafter "the Board") registered a complaint on June 22, 2010, charging Thomas M. Vossmeier (AR-PE #9346, hereinafter "Vossmeier") with violation of Arkansas Code Annotated §17-30-305(a)(5) (discipline by another jurisdiction where the grounds for discipline were the same as, or substantially equivalent to, those in Arkansas).

FINDINGS OF FACT

1. Vossmeier is a Professional Engineer licensee of the Board, and the Board has jurisdiction over his conduct.
2. Vossmeier notified the Board on June 22, 2010 that he had been disciplined by the Oklahoma Board.
3. At the time of the violation, Vossmeier held Professional Engineer licensure in Oklahoma.
4. Vossmeier was charged with, and admitted violation to, aiding and assisting his firm, International Engineering Services, LLC, with offering engineering services in Oklahoma without a Certificate of Authorization.

CONCLUSIONS OF LAW

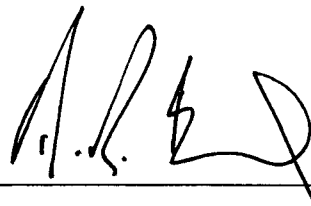

Arkansas Code Annotated §17-30-305(a)(5) provides that the Board may discipline licensees for conduct in another jurisdiction which would also be a violation in Arkansas, but does not require it to do so.

Upon review of the evidence in its possession, the Board finds the conduct by Vossmeier described in the Findings of Fact does not warrant further investigation or other action.

ORDER

Based on these Findings and Conclusions, the complaint against Vossmeier is dismissed.
