DISMISSAL ORDER

The Arkansas Board of Licensure for Professional Engineers and Professional Surveyors (hereinafter "the Board") registered a complaint on December 16, 2009, charging Jerry C. Young (PE #7793, hereinafter "Young") with violation of Arkansas Code Annotated §17-30-305(a)(5) (discipline by another jurisdiction where the grounds for discipline were the same as, or substantially equivalent to, those in Arkansas).

FINDINGS OF FACT

1. Young notified the Board on December 16, 2009 that he had been disciplined by the Oklahoma Board.
2. At the time of the violation, Young held Professional Engineer licensure in Oklahoma, although his firm did not hold a valid Certificate of Authorization in Oklahoma.
3. Young performed electrical engineering work for an architectural firm for a project in Oklahoma, on behalf of his firm.
4. Young was charged with, and admitted violation to, aiding and assisting his firm to violate the rules of the Oklahoma Board.

CONCLUSIONS OF LAW

Arkansas Code Annotated §17-30-305(a)(5) provides that the Board may discipline licensees for conduct in another jurisdiction which would also be a violation in Arkansas, but does not require it to do so.

Upon review of the evidence in its possession, the Board finds the conduct by Young described in the Findings of Fact does not warrant further investigation or other action.

ORDER

Based on these findings, the complaint against Young is dismissed.
