AWCC ADVISORY 96-1, *Revised*

Managed Care Certification

Advisory 96-1 is for certified Managed Care Organizations (MCOs) or Internal Managed Care Systems (IMCS). The full-length version on the internet lists entities which have received certifications from the Arkansas Workers' Compensation Commission (AWCC), subject to provisions of Rule 33, "Managed Care".

An MCO or IMCS, prior to certification, must furnish proof that all contracted out-of-state providers agree to abide by the lesser of the AWCC Fee Schedule or the contract amount.

For more information, contact the AWCC Medical Cost Containment Division, 501-682-3930 or 800-622-4472.

**Previous versions of Advisory 96-1 were issued
January 14, 1998, April 17, 1997, and January 31, 1996**
