

**RULE 099.03. CARRIER REPORTING REQUIREMENT**

**#099.03**

Every carrier that writes workers' compensation insurance in the state of Arkansas shall report to the National Council on Compensation Insurance (NCCI) all policy information in accordance with the NCCI reporting guidelines. Proof of coverage must be filed no later than 20 days after the effective date of coverage. The exact name of each Arkansas business operation and a complete Arkansas address shall be reported. Multiple Arkansas locations cannot use the same address. **(Effective October 21, 1993, revised effective January 1, 2006)**
